TASNIM AHMED CHOWDHURY

Computer Science Undergraduate
Dhaka, Bangladesh | tasnim.g5a@gmail.com
GitHub: github.com/tasnimahmedchowdhury

SUMMARY

Computer Science undergraduate at BRAC University with foundations in Java, object-oriented programming, data structures, algorithms, discrete mathematics, digital logic and data communications. Building practical skills in Python, SQL and Git/GitHub through structured training and independent practice, with interests in software engineering, artificial intelligence and computer systems.

EDUCATION

BRAC University
Bachelor of Science (BSc) in Computer Science
2024 - Present | Expected graduation: 2028
Relevant Coursework: Object-Oriented Programming; Data Structures; Algorithms; Discrete Mathematics; Digital Logic Design; Data Communications; Automata and Computability

Academia, Gulshan Campus - Pearson Edexcel O Level & A Level
O Levels (Nov 2020): 3 A* and 3 A grades, including Grade 9 in Mathematics B
A Levels completed: June 2023

TECHNICAL SKILLS

Languages: Java; Python (foundational); SQL (foundational)
Concepts: Object-Oriented Programming; Data Structures; Algorithms
Tools & Libraries: Git; GitHub; VS Code; Markdown; NumPy (foundational); Pandas (foundational); MySQL/MariaDB; XAMPP

TECHNICAL PRACTICE

Git & GitHub Practice Repository
2026 | github.com/tasnimahmedchowdhury/github-practice
- Built and maintained a public practice repository documenting Git and GitHub workflows using Markdown.
- Applied Git workflows including branching, merging, merge-conflict resolution, commits, cloning, remotes, fetch, pull and push operations.

TECHNICAL TRAINING

GCI World 2026 - Data Science & AI Program (In Progress)
Matsuo-Iwasawa Laboratory, The University of Tokyo
Sep 2026 - Present | Expected completion: Dec 2026
- Studying Python, NumPy, Pandas, SQL, statistics and introductory machine learning through coursework and hands-on assignments.

GCI World Ambassador Program - Silver Ambassador | Nov 2026

CERTIFICATES & AWARDS

The Linux Foundation

A Beginner's Guide to Open Source Software Development (LFD102) - Certificate of Completion & Digital Badge | Oct 2026

Grameenphone Academy

AI-Powered Analytics - Certificate of Excellence | Sep 2026
Data Foundations with AI - Certificate of Excellence | Sep 2026
From Insights to Influence - Certificate of Excellence | Aug 2026

The Duke of Edinburgh's International Award - Bronze Award

Completed through BRAC University | Jul 2025

Privacy Matters: Modern-Day Challenges of Personal Data Protection and Legal Responses

International Institute for Strategic Research (IISR), Georgia - Certificate of Participation
Mar 2024

LEADERSHIP & ACTIVITIES

The Duke of Edinburgh's International Award - Silver Level (In Progress)

Enrolled in Batch 2 through BRAC University.

BRAC University eSports Club - Executive Member

Volunteered at club events and competed in tournaments, including on a team that won an internal Valorant tournament.

Football - Team Captain & Local Tournament Organizer

Captained a championship-winning school team and local tournament teams; coordinated teams, fixtures and match activities.

CONTENT CREATION

Nekroly - Gaming Content Creator & Video Editor

Produce and edit gaming content using Adobe Premiere Pro and CapCut; multiple YouTube videos have surpassed 1,000 views.

LANGUAGES

Bengali: Native | **English:** Fluent | **Hindi:** Conversational
